QL-720NW Professional Wired and Wireless Label Printer

Having both wired and wireless networking, the QL-720NW is the professional solution for labelling on demand.

- Print up to 93 labels/minute and up to 300 x 600 dpi
- Wired and wireless network connectivity
- Plug and Print feature
- Built-in automatic label cutter
- Includes 2 rolls of labels and software

QL-720NW

Effortless label printing - for all applications

The QL-720NW uses Brother DK label rolls. Supplied on a spool that incorporates a roll guide, this ensures that the label is always installed correctly, and recognises the size of label inserted, and you get none of the alignment problems associated with printing labels in a traditional printer.

Technical Specifications

Hardware	
Print Speed	150 mm/sec ; 93 standard address labels/min
Print Resolution	300DPI
